

## Course Preferences, Week 1

**Your name** (print legible capital block letters, first and last names)

---

In the blanks, write 1 for your first choice, 2 for your second choice, 3 for your third, and so on. Give **at least three choices for every selection below, or we will assign you at random.**

For the **morning breakout** sessions the first week, the choices are

- \_\_\_\_\_ Concrete Groups (Dr A, 2 stars)
- \_\_\_\_\_ Conway speaks! (Conway, 2-4 stars)
- MathCounts (only **one** of the following will be offered; rank only one)
  - a. \_\_\_\_\_ Regional MathCounts (Mr L, 1 star) or
  - b. \_\_\_\_\_ National MathCounts (Mr L, 3 stars)
- \_\_\_\_\_ Induction (Dr M, 2 stars)

For the **afternoon breakout** sessions the first week, the choices are

- \_\_\_\_\_ Intro to Number Theory (Dr A, 1 star)
- \_\_\_\_\_ Mathematical Origami (Mrs C, 2 stars)
- \_\_\_\_\_ Heavenly Mathematics (Glen, 2 stars)
- \_\_\_\_\_ Analytic Geometry, week 1 (Dr T, 2-3 stars)

For next week, if you are qualified for Spherical Trigonometry, put a 1 below if you are very eager to take it, a 2 if you are moderately interested. Otherwise leave this space blank.
