

Course Preferences, Week 1

Your name (print legible capital block letters, first and last names)

In the blanks, write 1 for your first choice, 2 for your second choice, 3 for your third, and so on. **Give at least three choices for each breakout period, or we will assign you at random and give you negative brownie points.**

For the **morning breakout** sessions the first week, the choices are

- _____ Mathematical Origami (Mrs C, 2 stars)
- _____ Conway speaks! (Conway, 2-4 stars)
- _____ Induction (Dr M, 2 stars)
- _____ Intro Number Theory (Roberts, 1 star)
- _____ Math of Sudoku (DrT, 3-4 stars)
If high demand, Dr T may give a second induction section instead

For the **afternoon breakout** sessions the first week, the choices are

- _____ Heavenly Mathematics (Glen, 2 stars)
- _____ Mathcounts, nationals (Mrs C, 3 stars)
- _____ Mathcounts, regionals (Mr L, 1 star)
sign up for which seems right, but we will make some reassignments.
- _____ Complex Numbers, Somewhat Historically (Roberts, 2 stars)
- _____ Analytic Geometry, week 1 (Dr T, 2-3 stars)

For next week, check if you would like to take

- _____ Intro Number Theory (Week 1 you want something else more)
- _____ Intermediate Number Theory
