

Morning Course Preferences, Week 4

Your name (print legible capital block letters, first and last names)

In the blanks, write 1 for your first choice, 2 for your second choice, 3 for your third, and so on. Give at least 4 choices for each breakout period, or we will assign you at random and give you negative brownie points.

For the **morning breakout** sessions the 4th week, the choices are

- _____ Linear Set Geometry II (Mr M, 4 stars)
- _____ AMC12 (Mrs Nal, 3 stars)
- _____ Cryptology (Jon Rogness, 2 stars)
- _____ Hyperbolic Geometry II (Dr T, 3 stars)
- _____ Graph Theory (April, 1 star)

Afternoon Course Preferences, Week 4

Your name (print legible capital block letters, first and last names)

In the blanks, write 1 for your first choice, 2 for your second choice, 3 for your third, and so on. Give at least 4 choices for each breakout period, or we will assign you at random and give you negative brownie points.
