Information Privacy

Other special math programs, especially high school programs that you might go to after MathPath, would like to have the names and contact information of students who have completed our program, or applied. Below we allow you to opt out of such a database if you wish. In any event MathPath will never make your contact information available to sales organizations. Please put an X next to each type of information you do not wish us to share with other math programs. Leaving a space blank means you are willing to share the information.

Mailing Instructions

Enclose the completed form along with the following, unfolded, flat, in an envelope that is large enough to enclose 8.5"X11" sheets (or size A4 from countries where that is the standard size).

1. Your work on the Qualifying Quiz
2. Two recommendation letters

The letters can be mailed separately/directly by the recommenders, but it is convenient for us if they are enclosed with your envelope containing this filled application form, each recommendation letter in its own sealed envelope with the recommender's signature across the envelope closure gum seal.

3. Application fee of \$20

This should be by check, non-American spelling is "cheque," Money Order, or bank draft. **Students from outside Canada/USA should send only International Reply Coupons (buy at any post office) or International Money Order (buy at your bank) or Amex/Citicorp/Visa Travelers Check (Make Payable to MathPath and sign in both places).**

Mail to: (Use regular or Priority Mail. No need to send by courier, Express, Certified, or Registered Mail)

MathPath, c/o Prof. Maurer, Math/Stat, Swarthmore College, 500 College Ave, Swarthmore, PA 19081

(Canadian and international students should add another line to the address to say "USA".)
